Dear AAK Family Members,

It is indeed an honour for me to be selected as the President of this august body for this year. This shows your trust and confidence in me to lead the activities of the association for the coming year together with the newly elected members of the Executive Committee and the whole of the AAK community. This is a great opportunity and a challenge that I am sure I will be able to meet with the support and goodwill of all the members.

Asom Association of Kuwait is a small but very active and vibrant community and has consistently been at the forefront of showcasing the culture and traditions of Assam. At the same time, it has also provided a platform for the members and the children to exhibit their talent and through it, feel the ties to our state. It will be my priority to foster that community spirit, and as the President, I will be successful only when I receive the support, cooperation, views and comments from all the members of the family. Let us enjoy the togetherness in this part of the world.

Warm regards to all in the AAK family,

Himangshu Dey
