Dear Esteemed Members of AAK,

With immense pleasure & behalf of the newly elected Executive Committee I would like to offer my sincere gratitude to all of you for helping & nominating to forming the Executive Committee AAK for year 2018-19. Same time i would like to take this opportunity to offer our respect to the outgoing Executive Committee not only for their whole-hearted cooperation in smooth transition of the handing over of roles and responsibilities but also for their kind supports, advices and guidance.

We AAK being small & young community of Kuwait have established our presence with our activities among Indian diaspora. Kuwait Assamese community is so vibrant and people are so cooperative, it not only has boosted our morale but as a matter of fact has seeded the very enthusiasm in our mind for doing something noteworthy while steering the events and activities of the year. So, we look forward to your blessing, good wishes and active involvements in all spheres without which the objective of AAK will never be attained. It is noteworthy & really feel proud about the love & bonding and togetherness that exhibited by our members since the inception of the Asom Association.

The past events in celebration to Bihu and other festivals of Assam have been quite a success for AAK as demonstrated by our predecessors of former Executive Committees and similarly this time too we would leave no stone unturned to keep the pace going to live up to your expectations.

Once again thanking all of you.
