Dearest Members,

*Namaskar,*

As we accept the privilege of representing this august Association of Assamese community in Kuwait, I am humbled and can feel the amount of responsibility that have to be fulfilled. There is no doubt that this would require your full cooperation and support, which I seek from you at this stage.

This Association was formed with a great ambition to unite the Assamese community in Kuwait while providing them with a platform to identify with their roots. The members of our community have done remarkably over the years in making this an active and thriving Association. The new Executive Committee will work towards engaging all our fellow members in its activities.

With an objective to make the Association activities homely, while we showcase these globally, new ways of improving its activities and their deliverance are required, which will only be possible with your whole-hearted support and participation.

As we seek to enhance our lives, socially and culturally, we would endeavour to collaborate with like-minded individuals and organizations outside of AAK. We will be guided by the 5 C's, - i.e. to Connect, Collaborate, Contribute, Comprehend and Celebrate - in conducting the activities of this Association. Each of the purposes has to be fulfilled with dedication and we are committed to achieving our objectives.
