*Dear Asom Association Kuwait Members,*

Thank you all for allowing me to represent Asom Association Kuwait as the President for the period of 2017-18. Though our association is only eight years old now, I am sure that every members and associates feels, this is not only an association but our second home away from home, where we could share our fillings with people from same heritage, through which we could nurture our culture, revive our lost musical tunes with memories, observe our important cultural festivals and keep up with the taste of foods of our home land.

Furthermore, with this platform we could educate and open the door of our socio-cultural heritage to our next generation of Assamese lives in Kuwait.

To sustain this spirit of enjoyments, I have my humble request to all the members, prospective members and associates to come forward in join hands to work together to avail the different tests of the celebrations and achieve common goal of the association.

Lets enhance the bonding of togetherness among us in this home away from home.

With warm regards to all,

*Nurul Huda*
