Finally you have made it. Crossing all the barriers, surpassing all the expectations, Shanta Uzir Nite has been a roaring success. Right from warm reception, soothing ambiance portraying the rich Asomiya culture, lively in-house cultural program, enthralling performance by Shanta Baidew and the excitement of Grand Raffle, the souvenir 'Jetuka',..... everything was marvelous. To top it up, was the mouth-watering varieties of Starters and multi-course Dinner which was relished by each and every one present on the evening of 13th of May 2011 at the Al-Murjan Hall, Crown Plaza. The hotel authorities also left no stone unturned in helping us out of the way.

The highlight of the evening was the record attendance for which I, on behalf of the organizing team offer our sincere thanks and gratitude. Dear Members, whatever may be the level of arrangements made, without your whole hearted participation, no program could be termed as successful. This has really encouraged us to bring more such entertaining programs in future and we sincerely hope that you will continue this healthy trend. Kudos to the excellent publicity initiatives, which played an influential role in helping us register the highest ever turnout in any of our functions, as yet.

Our special thanks go to the guest artist Smti Shanta Uzir and Sri Bhupen Uzir for taking the pain to come all the way from Assam to be with us and delivering such a scintillating performance. Dear Dada & Baidew, may God give you more energy and good health so that you can continue on your mission to spread the light of Asomiya Culture throughout the Globe.

We offer our heartfelt thanks to all the participants of the cultural program, specially the children, the cultural team and our Anchors of the evening for devoting so much time & energy in making the program an instant hit. An equally commendable job was done by the reception and the decoration team which made a great difference to the quality of the program. The exhibition team also did a commendable job, showcasing the rich art & culture of the region- thanks for your whole-hearted efforts.

A program of this magnitude and quality would not have been possible without adequate finance. We offer a grand salute to all the members associated with fund-raising drive, who have taken all the pain to pursue various organizations for sponsorship, compromising on their personal & family time during the preparatory stages. As result of your untiring efforts, we could achieve the highest ever fund collection- another feather in the cap. We also thank each and every Sponsor for helping out our small organization to grow by contributing generously.

This was an all-out team effort and the credit for the grand success of the Bihu program goes to the Bihu committee, executive committee and all the members of Asom Association, Kuwait. I thank each and every individual/ organization for the help, support and guidance and we are now confident of scaling newer heights to reach the pinnacle of success.

Finally, I would like to thank my family for helping and supporting me in every stage which gave me energy, conviction and encouragement to serve you better.

Before concluding, I on behalf the organizing team offer my sincere apology for causing any inconvenience or any mistakes that might have occurred during the run-up and during the program which is purely unintentional.

Dhanyabadere....

Bijan Goswami
